TO: Sandpoint City Council  
FROM: Mayor Shelby Rognstad  
DATE: December 12, 2017  
SUBJECT: Appointment to Planning and Zoning Commission

I have reappointed Collin Beggs to the Sandpoint Planning and Zoning Commission.

Serving on the P&Z Commission is a significant volunteer undertaking; the time and effort these Commissioners choose to dedicate to our town is commendable. If confirmed, he will serve a three-year term, running from January 1, 2018, through December 31, 2020.

I hope you will join me in thanking Collin for his willingness to continue serving our community in this fashion, and I would appreciate your confirmation of his appointment.
